

GRAHAM'S HARTEST TRIPLES

AT

NEEDHAM MARKET COMMUNITY CENTRE

SUNDAY 26 MAY 2024

This is an event that was started by our friend and popular local bowler Graham Robinson and he was supported by his friend Freda Wright, who sadly died last year. Over the years, this event has raised money for a variety of good causes.

Graham died in 2014 and as we reach the ten year milestone, we have decided this year will be the last time that this popular event will be run.

As is traditional, we will be asking last year's winners to choose where the proceeds from this year's event are donated to and this will be communicated when the playing format is sent out.

The tournament will be played on a round-robin basis, with a maximum entry of 40 triples. Subject to the number of entries, teams will be in groups of five, thereby guaranteeing everyone at least four games, with a knock-out stage to determine the winners. A full range of refreshments will be available and a raffle.

We hope that you will support this event and we look forward to receiving your entry.

Thank you, Mick Watkins and Neil Jolly
