

Suffolk Carpet Bowls Association

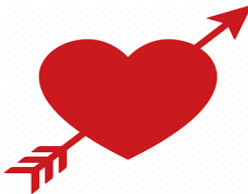

The SCBA Committee are fed up of lockdowns, so you must be too!!!

So what have your SCBA Committee been discussing to assist with restarting carpet bowls in Suffolk?

We will need to know what is happening in our clubs, what do club memberships look like, what do your club members want the SCBA to do? We intend to issue an online survey at the appropriate time to get that information & to enable us to make informed decisions.

We propose to offer a matchmaking service, to assist our clubs in arranging friendly matches, should they wish. Clubs will be able to let us know when they are ready to play & contact details can be circulated to other clubs who also wish to play.

For the upcoming year (1 July 2021 to 30 June 2022) the SCBA will extend club membership free of charge. Every little helps right!!! Insurance fees will still have to be paid & a communication has already gone to our club contacts about this.

When it is possible to do so, we plan to hold an in person AGM. We want to see & speak with our club members face to face. We need you to have your input in shaping the restart & future of carpet bowls in Suffolk, so would encourage attendance when this takes place.

Whilst the SCBA is looking to the future, we will not do too much, too soon. Ultimately it is down to our club members to decide how & when they play carpet bowls again. The SCBA will be here to listen to our clubs & bowlers, then play our part in restarting carpet bowls in Suffolk.
